

**Welcome to the Maine Interior Design Association!**

MIDA was created with a mission to act legislatively, giving a voice to Maine’s Interior Design professionals. MIDA is dedicated to advocating issues related to our Title Act, and promoting the health, safety and welfare of the public.

MIDA is a non-profit association. Our membership dues and fundraising provides us the funding to have continued representation in the Maine legislature. Our lobbyist works to protect our Title Act and to keep us apprised of proposed bills that may directly or indirectly influence our profession. As a member you will benefit through:

- Representation: We provide you with latest legislative updates and will connect you to the right information and resources to help you have a voice in your profession’s legislation.
- Connections: Meet individuals from many areas of the design community and network with colleagues and friends at annual events such as the Fall Gathering, Holiday Gala and the annual ‘Taste of Tuscany’ wine tasting and silent auction.
- Communication: You will receive MIDA’s *Designing Times* newsletter. The publication offers legislative updates, industry research and a notice of upcoming and recent past events. You will also receive minutes from Board meetings to keep you informed of the Board’s decisions and activity.

With your support our association can continue to grow and sustain our mission of acting as a voice on behalf of Maine Interior Designers.

Thank you in advance for your continued support.

Sincerely,  
 Lauren Dunn  
 MIDA President
